HOW TO USE CAMPUS TELEPHONES

On all calls, remove the receiver carefully from the hook and listen for the dial tone before starting to dial a number. The dial tone is a steady humming sound heard in the telephone receiver indicating that the line is ready for you to dial.

OFF CAMPUS NUMBERS (Gainesville Only) . . . . . .Dial 9
Listen for the changed dial tone; then dial the Gainesville number.

FOR LONG DISTANCE . . . . . .Dial 9

Be prepared to furnish the operator with the University number (FR6-3261); the campus extension number to which you desire the call be charged; the extension number from which you are calling if different from the one being charged for call and your last name and initials.

REMEMBER

1. All telephone equipment is overworked.
2. Only necessary personal calls may be made.

   "He is out of the office until 11 o'clock. Do you wish him to call you, or could someone else help?"
5. Accept messages willingly.
